广交会展馆 A 区 2.1-A01 Hall 2.1-A01, Area A 栖居之界 THE PLACE:Season 2

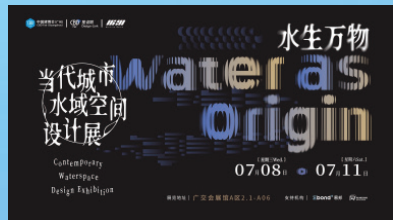

2026 年，栖居之界从“好房子”迈向“好栖居”。展览集结顶尖设计力量、商业创新品牌与城市更新运营者，以“美好生活的共振”、“美好社群的营造”、“全周期共建”、“持续更新”为纵向策展逻辑，并以更多元的维度、持续拓展的迭代来回应：“好的人居，应该怎样发生？”这一时代课题。

In 2026, THE PLACE moves from “good housing” toward “good dwelling.” Bringing together leading design forces, commercial innovation brands, and urban regeneration practitioners, the exhibition adopts a vertical curatorial logic of “resonance of desirable lifestyles, cultivation of desirable communities, full-cycle co-construction, and continuous renewal,” asking in depth: “How does a good life truly happen?” And responds to the question: “How should good human settlement occur?” through more diverse dimensions and ongoing iterative expansion.

广交会展馆 A 区 2.1-A06 Hall 2.1-A06, Area A 「水生万物」当代城市水域空间设计展 Water As Origin: Contemporary Waterspace Design Exhibition

2026 当代城市水域空间设计展以「水生万物」为主题，聚焦汤泉文旅、亲水疗愈等赛道，汇聚行业大咖，展出标杆设计案例。特展融合文旅康养多元业态，打通自然、艺术与商业边界，集聚优质资源赋能产业升级，助力水域休闲行业革新展发展。

The 2026 Contemporary WaterSpace Design Exhibition centers on the theme All Lives Stem from Water. Focusing on hot spring tourism and hydrophilic wellness, it gathers industry elites to display benchmark design cases. Integrating diverse cultural tourism and wellness formats, the exhibition bridges nature, art and commerce, pooling premium resources to fuel industrial upgrading and innovate the water leisure sector.

广交会展馆 A 区 3.1-D02 Hall 3.1-D02, Area A 暖笠笠·智慧适老化生活馆 Warm·Smart Age-Friendly Living Gallery

一个老年友好的代际生活展。通过标准、设计与技术的深度融合，与活力银发族共同创造真实的、充满可能性的生活空间，让长者不仅被照顾，更能自主、有尊严地参与生活，实现代际共融。

空间设计方面，基于长者特殊的生理与心理需求，在动线设计、室内光线、建筑材质等环节反复推敲，并巧妙融入前沿的智能家居系统，无论是自动调节的灯光与温湿度、无接触式的感应与呼救，还是适老化的厨房与卫浴细节，都将被还原进真实的生活场景中。

It's an intergenerational living exhibition that's friendly for older people. We combine standards, design, and technology to work together with active seniors and build real, livable spaces full of possibilities. The goal is simple: older adults shouldn't just be taken care of — they should be able to live on their own terms, with dignity, and take part in everyday life. That's how we bring generations closer.

When it comes to the space itself, we think hard about what older people really need — both physically and mentally. So everything gets fine-tuned: how you move around the home, the lighting, the materials used. And we weave in smart home tech without making it feel like a hospital. Things like lights and room temperature that adjust automatically, touch-free sensors and emergency call buttons, plus kitchens and bathrooms that are actually easy for seniors to use — all set up just like a real home, not a showroom.

广交会展馆 A 区 4.1-A07 Hall 4.1-A07, Area A 第五届鲁班建筑装饰节「共筑新局·AI 无界」 The 5th Luban Festival of Architecture & Interior Design 「Shaping the New Era • AI Boundless」

第五届鲁班建筑装饰节进一步强化商业公装产业资源链接功能，邀约设计院、业主、建筑公司到会，打造集知识、资源、产品于一体的行业盛会，重磅推出全球视野：洞察设计新趋势论坛、甲乙共赢：对话产业新生态论坛、智领未来：驱动 AI 产业链论坛、供应链对接会及 VIP 导览团，助力企业开拓公装市场新增量。

The 5th Luban Architectural Decoration Festival further strengthens the resource linkage function of the commercial public decoration industry. We invite design institutes, property owners, and construction companies to participate, creating an industry gala that integrates knowledge, resources, and products. The festival will launch the Global Vision: Insight into New Design Trends Forum, Owner-Vendor Synergy: Dialogue on the New Industrial Ecosystem Forum, Leading the Future: Powering the AI Value Chain Forum alongside supply chain matchmaking sessions and exclusive VIP guided tours, helping enterprises explore new growth opportunities in the public decoration market.

广交会展馆 A 区 2.2-A08 Hall 2.2-A08, Area A 金属家居百家案例（金属家居的一百个客户案例）

金属家居包含了不锈钢家居和全铝家居。金属家居百家案例，是广东省橱柜业商会连同中国建博会（广州）和全铝家居商讯在 7 月 8-11 日展会期间打造的一个针对金属家居行业的展示，意在臻选出全国一百个做金属家居的品牌，把其交付落地给客户的案例呈现出来。一来，展示行业的发展情况，企业已做到所见即所得。二来，为品牌企业赋能，促进并提高更多的客户对金属家居的认知。三来，是对一直默默在行业发展付出的品牌的一种感谢与认同。

Metal home furnishings encompass both stainless steel and all-aluminum product lines. The "Metal Home Furnishing — 100 Case Studies" is a dedicated industry showcase co-organized by the Guangdong Kitchen Cabinet Chamber of Commerce and All-Aluminum Home Furnishing Industry News, in collaboration with The 28th China (Guangzhou) International Building Decoration Fair. Held from July 8 to 11 during the Fair, the exhibition aims to spotlight 100 brands from across the country, presenting their completed client projects on site.

Twelve Dwellings for Life, the annual thematic exhibition of the 789 Home Decoration Festival, translates the journey of life into twelve themed residences. We weave life sentiments—solitude and freedom, newlywed romance, the warmth of raising children, wellness for elders, and laid-back retirement—into spatial design, material matching and full-home renovation solutions.

This venue offers far more than new product displays, building material selections and full-home customization services. It lets visitors grasp what different families yearn for in a home. A wide array of life-sized show flats in varied styles are on display, ensuring every stage of life finds an ideal dwelling that matches its mood.
